

TIPS FOR A TIPPER

[tip] - (noun): a generous gratuity; present, gift, reward.

Musana Camps of New Hope Uganda is in need of a tipper (dumper truck) for construction at our new Camp and Conference Center ministry on the shores of Lake Victoria.

As this ministry to the fatherless children of Uganda continues to grow and take shape, our facilities are also expanding! A tipper is the single most important piece of equipment required for construction purposes and obtaining building materials.

The purchase of our own tipper will significantly aid us in developing our facilities and programs serving fatherless children in Uganda through this unique and exciting new ministry. It will also allow us to partner with our local community to accomplish much needed road improvements and other shared civil projects.

Would you partner with us by making a contribution towards the cost of a tipper? We are raising \$35,000 for an Isuzu Forward 4 Ton 4x4 Tipper. Your contribution will make a significant impact on our ability to continue to develop this ministry and touch the lives of fatherless children in Uganda by helping us fulfill our motto: "ENCOUNTERING TRUTH, TRANSFORMING LIVES"

To contribute to this need or receive additional information, contact:
